

Sexual Assault Prevention Action Plan

1

What is your long-term goal?

2

Who are your community participants (stakeholders)?

3

Focus on underlying conditions in the current reality: What is happening now that creates a climate where sexual violence can happen?

5

How will you gauge your progress? What will you see, hear or read that will show you that change has happened?

6

What specific activities will your group do to get from what is happening now (box 3) to your desired results (box 4)?

4

Focus on underlying conditions in the visioned reality: What conditions need to exist to create a community free from sexual violence?

7

List all of the resources needed to carry out the activities listed in box 6.

People (paid, volunteer, community member):

Physical space and materials:

Financial support:

8

Build a list of people in the following categories: (This list will help you determine important allies in your prevention efforts.)

A: Key people you believe will support and advocate for your prevention project.

B: Key people you would like to have involved but whose support you are not sure of.

C: Key people who you know, from past experience, are capable of blocking the way to your goals.

9

List all of the reasons you can think of that might be raised as objections to your plan. (Think like people who would be opposed to your activities.)

10

List all of the reasons you can think of why people will want to support your plan.

11

How will you help the community to keep the sexual assault prevention plan moving and growing?

12

Timeline: Plot your activities from first to last giving target date and person(s) responsible for completing task.

Start Date
